WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review the environmental determination and other information on our website located at www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

San Luis Obispo and Santa Margarita Areas

Bridge Preventative Maintenance Program. This item is a request to approve the Mitigated Negative Declaration for the Department of Public Works' proposed Bridge Preventative Maintenance Program for three bridges that will repair the existing paint system and help protect the bridges from future corrosion. A containment system will be in place to collect all water, debris, and dust produced during cleaning and painting operations. Following the cleaning operations, the structural steel members will be primed and painted. The proposed project includes cleaning and painting bridges at the following locations: Stenner Creek Road at Stenner Creek Bridge (#49C0085), west of the City of San Luis Obispo; Tassajara Creek Road at Santa Margarita Creek Bridge (#49C0281) south of the community of Santa Margarita; and Buckley Road at East Branch San Luis Obispo Creek Bridge (#49C0106) south of the City of San Luis Obispo. The proposed projects are located in the Agriculture land use category in Supervisorial Districts 2, 3, and 5, within the San Luis Obispo and Salinas River planning areas. ED12-095 (245R12B580)
